Vision Statement

Darjeeling Ladenla Road Prerna believes in a world that sees the need to live as one family where the environment is preserved and protected, where conscious efforts are made to remove unjust structures while striving to build a just and humane society.

Mission statement

Our mission is to build sustainable human communities in the Darjeeling hills and the adjoining areas by promoting peoples participation, gender equality and living in harmony with the environment.

Goals

1. To promote, facilitate and strengthen people's organisations.
2. To promote organic agriculture and appropriate technology
3. To undertake Development and Environment Education with educational institutions and community based organisations.
4. To provide support to other organisations.
5. To undertake research, development and dissemination on developmental issues pertinent to the Darjeeling hills.

1. Community Development of Harsing, Dabaipani and Yangkhoo Busties

Harsing, Dabaipani and Yangkhoo Busties are part of the erstwhile Lebong and Mineral Tea Estate which closed down between 1050s and 60s. DLR Prerna's intervention started in 1996 and the community today is organized under the banner of Sanjukta Vikas Co-operative with 450 family members. The SVC was Certified Organic under international standards in 2001 and Fairtrade Labeled in 2003. It is the first Certified Organic and Fairtrade small farmers collective in the Darjeeling Hills.

The learning experience of Harsing Dabaipani and Yangkhoo is being taken to other project and partner areas.

Sanjukta Vikas Co-operative activities continued in the year 2006 - 2007:

a. Small farmers organic green leaf being sold to TPI and through TPI in the International Market as well as locally in Products Himalaya as small farmers organic fairtrade tea under brand name "Mineral Spring". 31 958 kg of green leaf tea sold.

b. Skall International Organic Certification inspection and the producer organic certificate renewed
c. Fair Trade Labeling inspection – **Fairtrade Certificate with conditions** for legal registration and documented premium utilization plans

d. **Fairtrade Premium** received and used in a decentralized manner based on the FLO fund planning

e. **Training**
   - Finance management
   - 2 days Training of Trainers on Fairtrade Labeling Organisations
   - Hamlet level awareness on Fairtrade Labeling Organisations

f. **Registration** process initiated under West Bengal Societies Registration Act as Sanjukta Vikas Sanstha. Bye-laws are being developed.

**Sanjukta Nari Sangathan(SNS), women’s wing of SVC activities continued in the year 2006 - 2007:**

a. **SNS marketing milk and vegetables** in Darjeeling town

b. **Training**
   - Finance management
   - Planning

For the first time three women were elected to the Board of SVC this year.

**Challenges:**

a. Further decentralization of the collective
b. Gender equity
c. Long term vision shared by all the members
d. Further enhancement of organic farming among all members

2. **Community Development of Mamring – Toryok**

a. Formation of **Central Committee** with 24 community members and elected PRI representatives. The Central Committee has 8 sub-committees. The central committee is forum for community development.

b. **Training** for nursery development and distribution of start-up material with progressive farmers with 50% of the saplings being tea

c. **Social analysis**, disaster awareness and planning workshops at central committee level. This was followed by sub-committee level workshops.

d. **Exposure visits** to community based disaster preparedness steering committee meeting in Kalimpong promoted by Anugyalaya and field visit to Kankebong.

e. Blood donation camp and awareness on HIV/AIDS, Reproductive Health and STI undertaken by the central committee

3. **Community Development of Chimney – Deorali**

a. **Training** for nursery development and distribution of start-up material with progressive farmers with 50% of the saplings being tea

**DLR Prerna and Anugyalaya DDSSS will be working in partnership in Mamring-Sittong and Chimney-Deorali.**
Challenges:

b. Networking with other organizations working in the area
c. Further enhancement of organic farming among all members

4. Joint Capacity Building Programmes of the community development programmes:

a. Marketing workshop in association with ATREE.
Self-help group representatives of Harsing, Dabaipani, Yangkhoo, Mamring –Toryok and Chimney –Deorali along with communities ATREE is working with were facilitated with Appreciative Participatory Planning and Action tool with marketing as the focus intervention in various phases. The participants were facilitated to make an action plan for marketing which included further planning within their own communities.

b. Training on food packaging and processing for SHG representatives in association with ATREE

c. Bio-diversity conservation through organic farming for 82 progressive farmers from Mamring –Toryok and Chimney –Deorali supported by ICIMOD.

The trainings were conducted in Aapbotay in Harsing, Dabaipani and Yangkhoo Busties with farmers living with community members of Aapbotay.

Challenges:

a. Partner organizations understanding of organic farming
b. Follow-up after trainings

5. Permaculture Design Course

Rico Zook, Certified Permaculture Trainer conducted a 14 days certified Permaculture Design Course in Aapbotay, Harsing, Dabaipani and Yangkhoo Busties. 16 students International, SVC members, Anugyalaya, DLR Prerna participated in it.

Aapbotay was strategically chosen for its bio-diversity richness, farming intensity and the potential for eco-tourism. The lodging for the students were home-stays and the food cooked by the self-help groups.

The course was followed by physical intervention at Aapbotay as an outcome of the course. This was Audio-visually documented.
